**Contract Deliverables**

This page intentionally left blank.

A list of applicable Contract Deliverables is appended to this Contract for information purposes. Omission of applicable deliverables from Section J Attachment entitled, *Contract Deliverables*, does not affect the obligation of the Contractor to submit required deliverables pursuant to this section or other sections of this Contract.

The following Contract Deliverables summarize the specific products the Contractor shall submit to DOE, the type of action DOE will perform, the associated DOE response time, the date/timeframe that the Contractor is required to submit the product. Upon DOE approval or acceptance, with no further action required by the Contractor, the Contractor can make a claim for applicable fee. The DOE action is defined as:

- **Approve** – The Contractor shall provide the deliverable to DOE for review and approval. DOE will review the deliverable and provide comments in writing. DOE will discuss the comments with the Contractor and the Contractor shall provide written responses. The Contractor shall rewrite the document to incorporate DOE mandatory comments and resubmit for DOE approval. Once approved by DOE, the deliverable shall be placed under change control and no changes shall be made, without DOE approval.
- **Review** – The Contractor shall provide the deliverable to DOE for review and comment. DOE will have the option to review the information and provide comment. The Contractor shall respond to written comments.
- **Information** – The Contractor shall provide the deliverable for information purposes only. DOE will have the option of reviewing the information and providing comments. Such comments do not require resolution under the Contract.
