Dear Mr. Nartker:

FREEDOM OF INFORMATION ACT REQUEST (FOI 2013-00806)

This letter is in response to your Freedom of Information Act (FOIA) request that you sent to the Department of Energy (DOE) Headquarters FOIA Office. Your request was received in this office on March 28, 2013. In that letter you requested all surveillance reports prepared by DOE's Office of River Protection (ORP) concerning work at the Hanford Waste Treatment Plant and Bechtel National between January 1, 2013, and March 27, 2013.

Your request was sent to the DOE's Office of River Protection to conduct a search of its files. Your request is granted and a listing is enclosed that provides the Surveillance Reports being provided to you by copy of this letter.

For purposes of assessment of fees, you have been categorized under 10 CFR 1004.9(b)(3), as a "news media" requester. In this category, you will be charged duplication fees only and will be provided 100 pages at no charge. In your request, you stated you were willing to pay all applicable fees. 187 pages (double sided) of documents are being provided to you. However, fees are not charged if the total cost does not exceed the \$15.00 threshold for charging fees under the FOIA, therefore, there are no fees associated with your request at this time.

If you have any questions regarding your request, please contact me at our address above or on (509) 376-6288.

Sincerely,
