Reasonably Describe Records:

Description: The original condemnation letter from the United States to Grant County for the roads in Hanford Reach/ Wahluke Slope/Saddle Mtns. We have a bridge document that says Grant County still has responsibility for a couple of bridges down there, and we need to show they belong to Hanford/DOE. Thanks, Barb

Optional Information:

Describe Yourself: n/a

Cost Information: I request a waiver or reduction of fees.

Waiver Request:

The subject of the request: Whether the subject of the requested records concerns "the operations or activities of the government."

Condemnation of roads by the US from an official government agency

The informative value of the information to be disclosed: Whether the disclosure is "likely to contribute" to an understanding of government operations or activities.

likely to contribute to completing Grant County road records

The contribution to an understanding by the general public of the subject likely to result from disclosure, taking into account your ability and intent to disseminate the information to the public in a form that can further understanding of the subject matter.

Ownership of roads if in question and requested by Public Request

The significance of the contribution to public understanding: Whether the disclosure is likely to contribute "significantly" to public understanding of government operations or activities.

I am not sure this applies. While some understanding of the condemnation process and ownership of roads would be gained, actual knowledge of operations is a no.

The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure, and, if so

none.

The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester."

This is not a commercial request.
