RE: FREEDOM OF INFORMATION ACT REQUEST

Project Name: Hanford Site
Location: Richland Washington

Dear Ms. Riehle:

Torres Consulting and Law Group, LLC (TCLG) submits this FOIA request on behalf of the United Association of Plumbers, Fitters, Welders, and HVAC Service Techs, a recognized 501(c)(5) non-profit organization. Accordingly, we respectfully request a waiver of all search, printing, and duplication costs (please see attached fee waiver justification). A fee waiver is appropriate when disclosing the information requested “is in the public interest because it is likely to contribute significantly to public understanding of the operations of the government and is not primarily in the commercial interest of the requester” (5 U.S.C. § 552(a)(4)(a)(iii)).

To achieve the goals promulgated under the Davis-Bacon and Related Acts (DBRA), an analysis of the pertinent information is performed to ensure that compliance with DBRA is mandated and enforced.

TCLG formally requests the following information:

- Copies of the Department of Energy’s (“DOE”) Hanford Roll-Up Document, which incorporates the data that makes up DOE’s Semi-Annual Davis-Bacon Enforcement Reports (29 CFR 5.7(b)) (OMB Control Number–1910-5165).
- This information is requested for the reporting periods of October 1st through March 31st, and April 1st through September 30th, starting in 2009 through 2014.

If there is an assessment of fees for the processing of this request, please inform TCLG prior to fees being incurred. Please send all requested information by email, or to our office referenced below.

If you have any questions or concerns regarding any aspect of this request, please do not hesitate to contact me directly. Thank you in advance for your prompt attention and help in regards to this request.

Sincerely,
