Re: Freedom of Information Act ("FOIA") Request

Dear Ms. Riehle:

CH2M Hill Plateau Remediation Company ("CHPRC"), prime contractor to the United States Department of Energy ("DOE") under Contract No. DE-AC06-08RL14788. Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, we hereby request that DOE make available for inspection copies of the following:

1. All cost accounting records, invoices, requests for payment with attached exhibits and wage rates, and other documents relating to amounts CHPRC earned, billed, or charged DOE from January 1, 2013 to present under Contract No. DE-AC06-08RL14788.
2. Actual annual contract costs earned by CHPRC for which it sought reimbursement from DOE from January 1, 2013 to present. Table B.4-1, taken from Section B Modification 393 of the Contract, indicates estimated contract costs; with this request we are seeking the comparable actual costs.
3. All documents relating to any and all fee awards and/or payments made to CHPRC pursuant to Section B and Section J.4 of the CHPRC Conformed Contract (i.e., Contract No. DE-AC06-08RL14788) from 2008 to date.

is willing to pay up to \$500.00 in duplication and other document processing fees. Please contact me in advance if the cost of the duplication/other fees exceeds this amount. While electronic delivery is preferred, regular mail is acceptable should the DOE so require. We are willing to work with DOE to obtain the requested documents in any manner that reduces both the cost and burden on DOE. We look forward to your reply within 20 business days, as the statute requires.
