Subject: New Request Under FOIA

Good morning Dorothy. A few weeks ago I asked for a copy of the signed MOU between RL and the two Tribe Nations (CTUI and Wanapums) that granted these Tribes access to the existing Hanford Reach National Monument under certain conditions.

I am now requesting a copy of the above MOU under the FOIA. I apologize for keeping you so busy. However this should be an easy one since the document is only few weeks, possibly a few months, old. Please let me know if I need to change the format of this request in order to comply with any requirements of the FOIA.

Thank you,
Carl
