<u>ROO-2015-00433-F</u>	Walker, Leslie	12/22/2014	Low altitude aerial photographs of the North Richland area, specifically the area around the current campus of WSU Tri-Cities. I have seen such photos from 1948-49 over the construction of houses along Harris avenue, and would like to know the condition of the area around the WSU campus during that time. I am researching the history of the land where the current teaching vineyard is planted just west of the campus buildings, and near the new wine science building. It could be useful, for soil science purposes, to know the extent of how much the land in that area has seen construction disturbance.	
<u>ROO-2015-00434-F</u>	Barcus, Kody	12/30/2014	1) I was told by an military communications that they aliens were being bread for sex. is this something that troubles you or do you just work with them? 2) how do you deal with such issues? 3) when absuving these "creatures" do you just become numb to the fact that something of value could tear apart society? 4) have they ever made some of the employees uncomfortable? if when uncomfortable do they become more and more tollerable to the issue.
