Dear Mr. Bosse:

FREEDOM OF INFORMATION ACT REQUEST (FOI 2016-00829)

This letter is in response to the Freedom of Information Act (FOIA) request you sent to Ms. Cindy Oliver of the U.S. Department of Energy (DOE) Richland Operations Office dated April 19, 2016. In that letter you requested the “names of any and all employees of Sunbelt Rentals that were issued badges to gain access to the Hanford Site from January 1, 2012, to present.”

The document has been reviewed and is enclosed with deletions of the names and badge identification numbers of the individuals pursuant to Exemption 6 of the FOIA. Exemption 6 provides that an agency may protect from disclosure all personal information if its disclosure would constitute a clearly unwarranted invasion of privacy by subjecting the third-party individuals to unwanted communications, harassment, intimidation, retaliation, or other substantial privacy invasions by interested parties.

In invoking Exemption 6 we considered 1) whether a significant privacy interest would be invaded by disclosure of information, 2) whether release of the information would further the public interest by shedding light on the operations or activities of the government, and 3) whether disclosure would constitute a clearly unwarranted invasion of private or public interest. DOE has determined that the public interest in the identity and personal information of the third-party individuals whose information appear in the documents does not outweigh the individuals’ privacy interests.

This satisfies the standard set forth by the Attorney General by Memorandum on March 19, 2009, that the agency is justified in not releasing material if it reasonably foresees that disclosure would harm an interest protected by one of the statutory exemptions or disclosure is prohibited by law. This also satisfies DOE’s regulation at Title 10, Code of Federal Regulations (CFR), Section 1004.1, to make records available which it is authorized to withhold under 5 U.S.C. 552 when it determines that such disclosure is in the public interest. Accordingly, we will not make discretionary disclosure of this information.

Mr. Michael L. Bosse
