Dear Mr. Grant:

FREEDOM OF INFORMATION ACT REQUEST (FOI 2016-01050)

This letter is in reference to your Freedom of Information Act (FOIA) request you submitted to the U.S. Department of Energy (DOE) Headquarters FOIA Office on June 10, 2016. Your request has been forwarded to this office and was received on June 13, 2016. In that letter you requested "on site access to a computer terminal for the purpose of public inspection, the names of the companies and their employees who have received clearance to access the Hanford Nuclear Site from 1/1/2012 to present. If a computer terminal is unavailable then we would like copies of these documents preferably in digital format."

In a telephone conversation with me on June 13, 2016, you modified your request and asked for the names and badge numbers of employees who have received clearance access to the Hanford Site from January 1, 2012, through June 13, 2016. In an email dated June 13, 2016, I requested that you confirm this comment reflected our conversation correctly. I sent you a second email on July 22, 2016, and left voice mail messages with you on July 26, 2016 and August 1, 2016. As of today, I have not received a response from you. If I do not receive a response from you within 10 days, this office will consider your request withdrawn.

Should you have any questions regarding this matter, please contact me on (509) 376-6288.

Sincerely,

-Original Signed By-
