Subject: FOIA Request

Dear Sir,

This is a request under the Freedom of Information Act ("FOIA"). Pursuant to FOIA, I request that a copy of documents containing the information described below be provided to me. I am affiliated with a private corporation and seeking information for use in the company's business. I agree to pay all applicable fees.

Background Information:

On March 2, 2012, DOE issued Policy Flash 2012-26 ("Release of Department of Energy Award Fee and Incentive Fee Reports"), implementing the following policy with respect to Award Fee and Incentive Fee Reports: "programs shall, at a minimum, publish a one-page score card for each contractor summarizing the fee determination and release the fee determination report upon request. However, programs will only release the fee determination report to the public after appropriate redactions are made."

On January 28, 2013, Deputy Secretary Daniel B. Poneman issued a Memorandum to Fee Determining Officials (FDOs) (Policy Flash 2013-24), directing the FDOs whose contracts fall under the cognizance of an Acquisition Executive to brief and obtain the input of that Acquisition Executive before determining earned fee under the contract.

Documents Requested:

1. All award fee and incentive fee determination reports for Hanford Site prime contractors from January 1, 2012 to the present.
2. All documents from January 1, 2012 to the present reflecting communications (electronic or otherwise) within DOE regarding award fee and incentive fee determinations for Hanford Site prime contractors.
3. All documents from January 1, 2012 to the present reflecting communications (electronic or otherwise) between DOE Headquarters and DOE Office of River Protection Fee-Determining Official regarding Hanford Site prime contractor award fee and incentive fee determinations.
4. All documents from January 1, 2012 to the present reflecting communications (electronic or otherwise) between DOE Office Environmental Management and DOE Office of River Protection Fee-Determining Official regarding Hanford Site prime contractor award fee and incentive fee determinations

Kathleen
