--Reasonably Describe Records--

Description:
Specify preferred form or format: email response/electronic records

--Type of requestor--

Select a description of yourself and the purpose of the request to help determine your category for assessing fees: An individual seeking information for personal use and not for commercial use.

--Fees and waivers--

Please select the statement that applies: I request a waiver or reduction of fees.

--Waiver factors--

The subject of the request:

This is a request under the Freedom of Information Act. 5 U.S.C.

§ 552 et. seq. The materials requested relate to presidential

designations of national monuments . As such, I request all records relating to, or consisting of, communications — in any format — generated or received by the Department of Energy related to:

a. Any public communication to the Department of Energy and/or its Bureaus on or since January 20, 2017 requesting a

1)

review of the national monuments identified in President Trump's Executive Order dated April 26, 2017.

A list of the monuments at issue is found in the DOI fact sheet on the Executive Order. That memo can be found here.

<https://morningconsult.com/wp-content/uploads/2017/05/Executive-Order-Fact-Sheet-Reviewing-Abuses-of-the-Antiquities-Act-of-19....pdf>

b. Any Department of Energy data or studies on the impacts to local, regional, and national economies produced by the monuments at issue.

These requests are not meant to be exclusive of any other records

that, although not specifically requested, have a reasonable relationship to the subject matter of this request. If you or your office has destroyed or determines to withhold any documents

that could be reasonably construed to be responsive to this request, I ask that you indicate this fact and the reasons therefore in your response.

The informative value of the information to be disclosed: The released information will contribute to better public understanding of the monument review process and government thinking on the matter.

Contribution to an understanding by the general public: The public will better understand the trigger for initiating this review, as well as, support for statements related to the economic impact of national monuments.

The significance of the contribution to public understanding: The

disclosure will have a significant impact upon public understanding behind the motivation of the review and possible

economic reasons supporting continued monument designation.

The existence and magnitude of a commercial interest: I have no

commercial interest in the requested information.

The primary interest in disclosure: To raise public understanding

of the motivations behind the monument review and what evidence

the DOE regarding the economic impact of national monuments.

--Expedited processing--

Justification: an urgency to inform the public concerning actual or alleged Federal Government activity exists (this option available ONLY for requesters primarily engaged in disseminating information).

Please provide your specific justification for expedited processing: The EO calls for the DOI to release a report on its review within the next 120 days. An expedited review must take place *in order* for the requested information to help shape public understanding of the current process.
