Re: Freedom of Information Act Request

Dear FOIA Staff:

This Freedom of Information (FOIA) request seeks Department of Energy documents pertaining to the following: any and all records regarding the use or purchase of materials known as Mundet Cork, Mundet Mineral Wool Finishing Cement, Mundet Mineral Wool Insulating Cement, Mundet Cork 85% Magnesia Asbestos Insulation, Mundet Block Insulation, and/or Mundet Pipe Covering which were located at the Hanford nuclear facility in Washington.

If necessary, I am willing to pay reasonable fees to accommodate efforts associated with the production of the requested information. You may reach me at _____ or at aclements@tktrial.com to discuss this matter and arrange for payment of any necessary fees. Please do not hesitate to contact me should you have any questions or need any additional information.

Sincerely,

s/ Alan Clements
