Request description	To whom it may concern, This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media." I am a freelance television producer, with credits listed at: https://www.imdb.com/name/nm1825298/ I am often working on documentaries related to my FOIA requests, and frequently write articles based on the FOIA documents I receive. They are read on my own high traffic website (25,000+ people daily log on, on average) called The Black Vault (www.theblackvault.com), and those articles are OFTEN covered via the mainstream media, and cited as the source. Here are just some of the recent mainstream article that have covered my work, both highlighting my original articles written, along with profiling the documents I have received via FOIA: https://news.google.com/search?q=The%20Black%20Vault&hl=en-US&gl=US&ceid=US%3Aen I prefer electronic delivery of the requested material either via email to john@greenewald.com, FAX 1-818-659-7688 or via CD-ROM or DVD via postal mail. Please contact me should this FOIA request should incur a charge. I respectfully request a copy of records (which includes videos/photos), electronic or otherwise, pertaining to Unidentified Aerial Phenomena (UAP), Unidentified Anomalous Phenomena (UAP), Unidentified Flying Objects (UFOs), etc. Given the conversation about these topics in recent years, and the fact that the U.S. government is now taking in reports around sensitive facilities through various offices (ie: AOIMSG, AARO, etc.) in the past 5+ years, I ask that you look for any memos, letters, emails from likely individuals involved in such an issue, reports, photographs, videos, etc., that pertain to the topic of this request. Thank you so much for your time, and I am very much looking forward to your response.

Fees

Request category ID	media
Fee waiver	yes

Explanation	I ask that you EXPEDITE my request and grant a FULL FEE WAIVER. My justification follows: First and foremost, in recent weeks, months and years, this very topic, UFOs, has garnered worldwide media attention and public interest. As a result, there have been NUMEROUS stories in the mainstream media WORLDWIDE. Newspapers and online magazine from around the globe have covered this story, and I feel the responsive records in this case, would go to offer the public a great understanding of something that is not only public interest, but something of great value to the public understanding. Also, just these last couple months, there has been extensive coverage on my release of a declassified version of the classified UAP report from 2021, NASA emails relating to UAP, declassified records from the military on the same, etc. A Google News search for “The Black Vault” or my name will show you some of that coverage. It is a clear showing on the public interest in this topic. I have a unique way of disseminating this information. My website The Black Vault (www.theblackvault.com), known worldwide for covering topics related to U.S. Government documents, records and secrets, serves approximately an average of 24,000 people every day. I offer responsive records I get under the FOIA, for free, to those visitors. I also take those documents, when applicable, and write editorialized articles and summaries for publication elsewhere. I also have the ability, should the responsive records truly be newsworthy, to garner media attention for them. I have appeared on numerous television shows, news programs, magazines, and newspapers from around the globe. In addition, I also take that information, and create written original articles about them, including the creation of videos on my YouTube channel highlighting the material. I can offer NUMEROUS articles, as references, if needed. Thank you so much for your time, and I am very much looking forward to your response.
