	<p>actions to ensure safe operations along with utilization of telework, including continuation of minimum-safe operations at the physical site location. In addition, you are authorized to continue implementation of Phase 1 activities identified in your remobilization plan. Separate Contracting Officer direction will be provided for the implementation of other phases described in your plan.</p> <p>Plans for performing non-portable work shall account for limitations of existing personal protective equipment (PPE), consumables, and the supply chains, in order to sustain necessary Hanford site essential functions. Ongoing portable work activities shall be continued on a remote telework basis in accordance with your remobilization plan. All costs associated with this partial stop work order shall be segregated under a unique charge code. This partial stop work order shall flow down to applicable subcontracts impacted by this notice.</p> <p>In light of the current pandemic, it is essential to maintain stability and resiliency with the contractor workforce to ensure the availability of critical skills, ensure a mobile ready state, and minimize re-mobilization impacts. DOE's intention is to maintain stability in the existing workforce to the extent practicable to ensure a timely and orderly ramp up to full performance capabilities at the conclusion of this partial stop work period.</p> <p>Pursuant to FAR 42.1303(d), you should promptly discuss this stop work order with DOE, and the Contracting Officer may modify the order, if necessary, in light of the discussions.</p> <p>You have 30 days after the end of the extended partial stop work period to assert rights to an equitable adjustment. To that end, DOE may act upon a proposal submitted at any time by the Contractor to mitigate any ongoing impacts caused by the pandemic.</p> <p>This contract modification does not change any contract terms and conditions.</p> <p>Continued ...</p>
