Dear Ms. Reeves:

Thank you for your letter expressing support for the National Dialogue. As you know, I plan to brief Secretary Designate Peña on the Dialogue once he is confirmed. I will make sure that he sees your letter and is aware of the importance the Hanford Advisory Board places on the Dialogue.

On a more personal note, I want to thank you for your support and leadership on the National Dialogue Planning group. We would not be as far along in the planning of the Dialogue if you had not taken such a personal interest. I look forward to continuing to work with you to advance the Dialogue and public involvement in Departmental decision-making process.

Sincerely,
