

# HANFORD REGIONAL DIALOGUE

*Join us for Discussions on Cleanup Priorities,  
Challenges and Opportunities*

The Tri-Party Agreement agencies invite you to spend the evening discussing the ongoing cleanup mission at the Department of Energy's (DOE) Hanford Site. Speak with leaders from the DOE, Environmental Protection Agency and Washington State Department of Ecology.

Breakout group discussion topics include the Direct Feed Low-Activity Waste approach for near-term tank waste treatment, current cleanup work, and a look back – look ahead at the Hanford cleanup mission.

Space is limited to 100 participants on a first-come, first-served basis. Additional meetings will be considered as needed.
