J. Comments ESP Request #467511-2766427 CACN: 600485 NOTE 1: DOE has already reviewed the files for content and approved publication. NOTE 2: Links in the table in Chapter 1 are not yet live. If you click on them during the Information Clearance Review, nothing will happen, because the files have to be uploaded to Hanford.gov before they will work. NOTE 3: This release involves many files, so I'm only attaching the actual files to review for clearance for publication on Hanford.gov. I will follow with separate email providing HLAN files for comparison purposes to see where we took out links to ASME standards.	Information Clearance Approval
