HANFORD LIVE 2017
An Online Conversation on Cleanup Progress & Challenges

Learn about Nuclear Waste Cleanup at Hanford!

Please join the [Tri-Party Agreement \(TPA\)](#) agencies on April 12, 2017 for *Hanford Live*, a webinar conversation on cleanup progress, challenges, and priorities with the TPA managers.

The webinar will start with a brief overview presentation from each agency, followed by a facilitated question-and-answer session.

To register, please visit:
www.hanford.gov

April 12, 2017
7:00-9:00 p.m. (PST)

Did you know...
The Hanford Site covers 580 square miles, which is nearly the size of Seattle and Los Angeles combined!
