

THE HANFORD SITE

March 30, 2021

TO: All Hanford Site Employees

SUBJECT: Protecting the Hanford Workforce: COVID-19 Vaccination Availability

****PLEASE SHARE THIS MESSAGE WITH THOSE WHO ARE NOT ON COMPUTERS****

HPMC OMS has received 300 doses of the Moderna vaccine, which are being offered to eligible Hanford workers who have not already received the first dose from another source. You can determine eligibility by using the [Phase Finder for Statewide Vaccination](#).

If you are eligible to receive the COVID-19 vaccine now, use the [Vaccine Scheduling Tool](#) to make your vaccination appointment at HPMC OMS. If vaccines are unavailable at HPMC OMS, you do not need to wait to get your vaccine from HPMC OMS. Use these Washington State Department of Health resources to find your phase and vaccine locations:

- [Phase Finder for Statewide Vaccination](#)
- [Washington State Vaccine Locations](#)
- [Washington Phases Infographic](#)

HPMC OMS has an informational briefing on the Moderna vaccine available here: [COVID-19 Resources and Updates](#). For additional questions, please visit the [Washington State DOH COVID-19 Vaccine webpage](#).

Thank you for your continued efforts to prevent the spread of the COVID-19 disease, while safely advancing the important cleanup mission at Hanford. We will continue to keep you informed as information comes available.
