SF30 BLOCK 14 (CONTINUATION):

- A. The purpose of this modification is to equitably adjust the PRC for the Government's "decision to remove Analytical Services work scope under (MSA) Section C.2.2.1 and Attachment J.3 (interface 33, Analytical Services) effective September 30, 2014" as a mandatory service in support of CHPRC and Other Hanford Site Contractors. Reference RL letter 14-PR0-0171 dated March 19, 2014. On April 8, 2014, Mission Support Alliance (MSA) notified CHPRC that WSCF would no longer accept samples for analysis as of May 2, 2014. In consideration for the fact that the MSA will no longer provide analytical services and CHPRC will self-perform that activity beginning in fiscal year 2014 and through 2018, a fee of \$1,250,000 is determined as an equitable adjustment for this change. Fee of \$1,250,000 will be added to the option period Available Fee pool split equally for FY 2017 (\$625,000) and FY 2018 (\$625,000).
- B. Section B, Table B.4-1, Contract Cost and Contract Fee, is updated as follows:
- a. Total Option Period, Available Fee: FY 2017 is increased from \$11,700,000 to \$12,325,000, FY 2018 is increased from \$12,111,183 to \$12,736,183, and the Total Option Period is increased from \$70,306,942 to \$71,556,942.
  - b. Total Option Period, Contract Price: FY 2017 is increased from \$415,118,274 to \$415,743,274, FY 2018 is increased from \$394,316,157 to \$394,941,157, and the Total Option Period is increased from \$2,228,176,988 to \$2,229,426,988.
  - c. Total: Transition, Base & Option Periods, Total Available Fee is increased from \$238,818,742 to \$240,068,742.
  - d. Total: Transition, Base & Option Periods, Total Contract Price is increased from \$5,788,226,595 to 5,789,476,595.

This modification does not obligate additional funds to the contract. Accordingly, work under the contract, such as that described herein, must be performed within the amount of funds which have been incrementally allotted to the contract in accordance with Clause I.81 - FAR 52.232-22 - Limitation of Funds (Apr 1984).

C. Contractor Statement of Release:

In consideration of the increase in available fee of \$1,250,000, as an equitable adjustment for self-performing analytical services work scope beginning in fiscal year 2014 and through 2018, the Contractor hereby releases the Government from any and all liability under this contract for further equitable adjustment attributable to closure of the WSCF and the requirement of CHPRC to self-perform Analytical Services.

There are no other changes to the terms and conditions of the contract.

End of Modification 493.
