

Proposed Cleanup Actions for Remediation of Hanford's 300 Area (along the Columbia River)

Wednesday, July 31, 2013
University Heights Center
Seattle, Washington

Purpose

The purpose of this public meeting is to discuss 300 Area cleanup needs and alternatives with the public. Representatives from DOE and EPA are available to answer questions and listen to concerns from the public.

AGENDA

6:00 – 7:00 pm **Open House – Poster Sessions and Informal Conversations with Tri-Party Agreement Project Managers**

7:00 pm **Welcome by Facilitator** **Dieter Bohrmann**

7:05 pm **Introduction**
U.S. Department of Energy – Richland Operations **JD Dowell**

7:10 pm **Overview**
U.S. Department of Energy – Richland Operations **Mike Thompson**
U.S. Environmental Protection Agency **Larry Gadbois**

7:25 pm **Local Perspective**
Hanford Challenge **Liz Mattson**
Heart of America Northwest **Ryan Strong**

7:30 pm **Question and Answer Session** **All**
Please use this time to ask your questions about the proposed plan. Feel free to use the note cards on your table if you would rather write your question down and hand it to an agency representative

8:00 pm **Formal Public Comment** **All**
Comments are being taken by a court reporter. Please state your name for the record before beginning your statement. Depending upon how many people wish to comment, we may ask you to keep your comments to 3 minutes or less. If time remains after everyone has had a chance to comment, you will have another opportunity to comment. If you prefer to make written comments, a form is on the back of this meeting agenda.

9:00 pm **Adjourn**

NOTE: A Court Reporter will be present at the meeting. A transcript of meeting proceedings will be available on the DOE-RL website at www.hanford.gov.
